Would you consider becoming one of the many wonderful people who partner with us in carrying out our crucial mission?

CPC has many areas of services for volunteers: client care and counseling, Hope Closet (clothing), administration and clerical, events, business and professional partnership, practical "helps", prayer support, and

more. Through CPC, we see God's arm extending into the community and making a real difference in the lives of those who are hurting and broken. Reaching out with the love of Christ to those in need is just what the Body of Christ does best.

Fill the Bottle Campaign 2013

Starts May 12th Ends June 16th

Baby-bottles filled with coins benefits the work of CrossRoads Pregnancy Center—that's the Fill the Bottle Campaign. It's a simple idea with impressive results. Last year the Campaign brought in over \$12,000 to support women and babies in our community. Won't you join in this year's Campaign? Three great reasons to do it::

It gets the whole church involved in ministry together. The Fill the Bottle Campaign provides a service project for the whole family. Men and women, boys and girls, senior citizens and preschoolers—everyone in your church can participate. The campaign gets your congregation engaged in a practical, compassionate response to unplanned pregnancy and gives you a good chance to pray together for Crossroads Pregnancy Center and the women we serve.

It won't negatively impact giving to your church. We understand that your church has regular financial obligations and commitments to the missionaries you support. The Fill the Bottle Campaign doesn't ask people to choose between giving their check to your church or to the Center. It just asks for their pocket change giving them a chance to make a real difference in people's lives without diverting funds from the good work you're doing.

It's easy to do. We provide everything you need for the Campaign so it's simple for your church to make it a success! You just tell us how many bottles you think you can give out. We will provide you bottles and a wide range of promotional materials—bulletin inserts, announcements, posters, DVD—all ready to use if you want to use them. We can provide a speaker for your Campaign kick-off or collection Sunday if you'd like!

Get started Sunday May 12 (Mother's Day) and end June 16 (Father's Day) contact me at cpcl23@centurylink.net, or 864-223-1147 to start your Campaign.
